

“Arm’s Reach”

Covid 19 Vaccine Commercial Radio/TV Spot

(Narrator)

“Life is tough, and sometimes a simple hug is all it takes. But human arms weren’t made long enough to hug from 6 feet away.”

“Luckily, we have a solution. Hope is now within arm’s reach. Just two small doses is all it takes and we can be closer to those we love, and once again feel the warmth of their embrace.”

“Vaccine appointments are now available for those aged 65 and older. Visit us online at Southern Nevada Health Department .com to schedule your appointment today.”
